

Habit 1 - Be Proactive: Master Your Future

I am not a victim of my circumstances. I am the creator of my future. I take responsibility for my choices and actions. I do not blame others for my problems. I take control of my life and create the future I want.

Habit 2 - Begin with the End in Mind: Have A Plan

I plan ahead and set goals. I do things that bring me joy and make a difference in my life. I know where I want to go and I have a plan to get there. I am not just reacting to life, I am creating it.

Work First, Then Play

Always finish your work before you play. This habit helps you stay organized and focused on your goals. It ensures that you have completed your responsibilities before enjoying your leisure time.

One Can Win

Habit 4 - Think Win-Win: Everyone Can Win

I seek solutions that benefit everyone. I believe that there is always a way to win-win. I look for opportunities to help others and create a positive impact in the world.

Habit 5 - Seek First to Understand, Then to be Understood:

Listen Before You Talk

Habit 6 - Synergy: Together Is Better

I work with others to create something greater than I could do alone. I value the strengths and talents of others and seek to combine them with my own. I believe that the whole is greater than the sum of its parts.
